

Indian Creek Baptist Camp June 25-July 1

Senior High Camp 2017

Registration: Sunday June 25<sup>th</sup>, 4-5 pm

Pick up: Saturday July 1<sup>st</sup> at 11:00am

Greetings campers!

It is a blessing to write to you and tell you about the magnificent week of Sr. High Camp that is being planned. God has been working diligently to gather cabin leaders, prayer partners, workshop leaders, and many others to make this camp the best it can be. The camp theme is **Bear Fruit**, based on Luke 6:43-45, and John 15:5.

Our hope is that you have been communicating with God daily, reading your Bible, and connecting with other Christians. If you haven't, today is your new start! Last summer, we sought to understand that God knows all our flaws, secrets, and fears...and loves us anyway! This summer, we will dig deep to better understand the Fruits of the Spirit and how they are reflected in our lives.

Of course, what's Sr. High without a healthy dose of FUN?! We've got some great things up our sleeves and we cannot wait to share in this week with you. We are praying for you! We are thrilled to that you are coming to join us for what is sure to be a fantastic week. See you soon!

In Christ,

Theme Night: Totally Tubular 80's - Bring any camp appropriate costumes, clothing, or props, and join us for a great night of fun from the 1980's

#### Meet the Director!

Charity Garnett has been coming to camp for over 20 years. She has served as the Senior High Director for 3 years and loves watching God work in youth. She loves elephants, ice cream, concerts, and post-it's. Charity lives in Louisville, KY with her cat, Big Blue. She teaches third grade and loves (nearly) every minute. She is an active member of SE Christian Church where she serves on the First Impressions Team. [cgarnett527@gmail.com](mailto:cgarnett527@gmail.com)

#### Meet the Assistant Director!

Ben has a passion for seeing young adults encounter Christ. He works for Thy Word Network in Evansville, and loves leading students in Bible study, trips, and various activities to have fun and deepen their faith. In his spare time, he enjoys listening to music, playing drums, video editing, and organizing RiverCity Faithfest. Ben has been coming to Indian Creek since 6th grade. He's so excited to be part of Sr. High!

#### Meet the Camp Pastor!

. Lauren Alexander is a pastor, speaker, and a busy mom. She runs a ministry called The Stand Up Foundation which helps foster families. She is married to Seth and together they have four SuperKids: Tabbitha, Heather, Ty, and Elijah Burke. She loves cooking, drinking Vanilla Coke Zero, and a good nap.

- No pets are allowed to be brought to camp (service animals are allowed)

## **Medical Check in Policy**

**It is our policy to provide a short medical check in\* at the time of camper arrival with the following details:**

- 1) Temperature check**
- 2) Recent medical history check**
- 3) Check-in of all medications and discuss their dispensation schedule with camp nurse (\*)**
- 4) Head check for lice (\*\*)**

**\*Please note that this medical check-in policy is guided by regulations from our accreditation and insurance providers. We do this to keep your campers safe and healthy from the moment they arrive. This procedure takes time because every camper must receive the same time and commitment upon their arrival. If you have any questions or concerns, please direct them to the camp manager by calling 812-279-2161, or by completing one of our feedback surveys provided on our website ([campindiancreek.com/feedback](http://campindiancreek.com/feedback))**

**\*\* This head check is to confirm that no camper has lice upon arrival to camp. The individuals who are checking hair are experienced in identifying head lice in all of its forms (lice, nits, empty nits, and dead lice). While we understand the stigma behind head lice, we cannot make exceptions for those who have lice. Our policy will remain that the camper (and any campers who rode in the same vehicle) must leave the camp, but can return the next day if they have received treatment, at which time they will receive another head check from the camp nurse or manager.**

**Please note, the presence of any form of lice (nits, empty nit sacs, live lice, or dead lice) is cause for dismissal. If we find the presence of any form of lice, we cannot determine if there is still living, and contagious, lice on the campers clothing and bedding.**
