

GriefShare is a uniquely designed support group for both men and women who are grieving the death of a loved one. Within this group you will find others who have an understanding of pain and grief. Past GriefShare attendees are welcome to join us again as you continue your grief journey.

The GriefShare seminar includes DVDs and a manual that features powerful testimonies, how-to articles, and grief-work exercises presented from a biblical perspective by some of the nation's foremost Christian experts on grief and recovery.
