Celebrate With Us!

We are amazed and delighted! The effort was tremendous and the results were spectacular!

A huge thank-you to everyone who helped us pack gift-filled shoeboxes for children in need around the world. Whether you donated items, wrapped boxes, contributed funds, or participated in our November 12th packing party, your efforts enabled us once again to exceed our goals and pack **over 2700 boxes!**

Just think: that's over 2700 children (and their families) who will be reached with the good news of Christmas!

Help Us Get All Those Boxes To All Those Kids!

It's a great problem to have! We packed even more shoeboxes than our goal, and that means we need more funds to ship them all to the children awaiting them. We currently still need \$1182 to ship all the boxes we packed.

If you'd like to help, you can either send a check made out to Felida Bible Church at the address below (memo: OCC) or use our new mobile giving option. Simply text FELIDA to 77977. Tap the link you receive, fill in your info, and then choose giving type, 'Operation Christmas Child.' Thank you so much and may God bless your generosity to children in need!

Our goals for 2017:
2700 shoeboxes
\$18,900 for shipping

2017 Packing Party:
November 11
