

# **FABCare Volunteer Opportunities**

FAB began FABCare in 1964. Today we serve 109 children age 8 weeks to 4 years with twelve of these children being FAB church congregation members. A child is never excluded due to income. Currently 15 of our students are receiving subsidized care and 20% of those are in wonderful foster families. FABCare offers support to children at Lily's Place and The City Mission. Our mission remains to teach young minds the love of God and spread this into our community. Weekly Chapel time is being taught by Rev. Alicia Porterfield, Rachel Gibson, and Gwen Craddock. If you are interested in providing the gift of time to our FABCare children, please call the FABCare office 525-5441.

Volunteer opportunities include:

- story telling & reading
- music club (singing/dancing)
