Friends in Faith Christian Preschool
Liverpool First Presbyterian Church
603 Tulip Street, Liverpool, NY 13088

Friends in Faith Christian Preschool of Liverpool First Presbyterian Church was founded in 1997 as an outreach of the church. The goal of the program was, and is, to be able to give children an academic start to their lives in a non-denominational Christian-value-oriented environment.

The Friends in Faith program allows children to begin the preschool experience as early as age two and to continue to build on those experiences with various classes up to the Kindergarten level.

While Friends in Faith provides a strong academic environment, we do so in a way that allows your child to grow physically, emotionally, socially, and spiritually, based on God's love as a model for each of us.

We invite you to come and visit us, to meet our children and staff, and to experience the program that so many families have come to consider part of their own family.
