## CHANGING POLICY

In our toddler class pullups/diapers will be changed if authorization is given from the parent as needed. We will also encourage them to try to use the bathroom while they are at school.
"It is expected that all 3 and 4 year olds will be toilet trained. (Pull-ups are permitted at the beginning of the school year.) We offer scheduled use of the bathroom and, of course, will take a child to the bathroom if he/she asks or shows signs that the bathroom is needed. Although we understand that accidents will happen, in our 3 and 4-year old classes' families may be called to the Preschool to change their child's clothing, and/or the child may be dismissed from the program until toilet trained… We do have clothing at the preschool in case of accidents that may be washed and returned at your earliest convenience. But as children are often more comfortable in their own clothing, we ask that you leave a change of clothing in your child's school bag. "

The church's "Child Abuse Prevention Policy" states:
"A 'two-adult' rule shall be in effect meaning that no staff member or volunteer is to be left alone with any child at any time without a 'justifiable reason' pertaining to the child's well-being. If alone, every effort shall be made to meet in an open room with a window and another person in close proximity to the meeting room."

Following these guidelines, we are giving you the opportunity to grant permission for our staff members to change your child's clothes or to assist him/her if it becomes necessary. If permission is not given you will be called if necessary to change your child if they are unable to do so themselves.

Please bring a change of clothing in your child's school bag (including shoes and socks) in case they are needed. The preschool will not store the clothing for the school year, as there is insufficient storage space.

I give the staff at Friends in Faith Christian Preschool permission to change _____ clothes or to assist him/her if it becomes necessary. I understand that under certain circumstances that I may be called to do this for my child. In addition, I will provide a change of clothing in case they are needed.
