

CHILD AND FAMILY INFORMATION

The following information will be used by our teachers in getting to know your child. It is completely confidential.

Child's Name _____

What you would like your child to be called? (nick name) _____

How do you want your child to recognize and write their name?

Specific Child Information

Are there any limitations or special needs that should be considered that may help us understand your child better? Explain. (If your child has an IEP, please give us a copy so we can work together as a team.)

Is a language other than English spoken in the home? Please specify.

What do you expect from your preschool experience for your child?

Is there anything you would like to share with us to better understand your child?
