

This summer, we will focus our efforts on investing our resources in service opportunities. Domestic churches and/or SUMMIT Groups can unite to discover and meet practical needs of church members, our neighborhood, and our city. If you become aware of a need, complete the [REQUEST FOR SERVICE form](#). Be a part of this movement today, and show your support by [ordering a t shirt](#). Both forms can be found at our Information Center. Stay tuned for your chance to Be The Church!
