

This summer, we will focus our efforts on investing our resources in service opportunities. Domestic churches and/or SUMMIT Groups can unite to discover and meet practical needs of church members, our neighborhood, and our city. If you become aware of a need, complete the [REQUEST FOR SERVICE form](#), which can be found at our Information Center. [Click here](#) to view current opportunities to serve.

## Request for Service

If you have a need, let BHBC members *be the church* and help you! Examples are:

- Changing light bulbs
- Changing smoke detector batteries
- Fence picket repair
- Debris cleaned up
- Limbs trimmed
- Any other small task needed

Simply complete the form below and turn it in at the Information Center. The request may be displayed in church publications, but your contact information will remain private.
