MISSIONS—CYN

One of the core goals of the Caribbean Youth Network is to empower the local leaders of the ministries we serve.

This September, after over 17 years of training and equipping, one of our mission's core ministry partners in the Bahamas is hiring their first full time staff person. Jude Vilma has been a committed leader of the Bahamas Youth Network for the past six years. He has a call and gifting for full time youth ministry. We are overjoyed that he is being deployed into the harvest field to reach at risk youth in Nassau, The Bahamas. It is going to be a joy to serve alongside Jude as he enables the mission to both broaden and enhance the effectiveness of our discipleship and outreach programs. This development is a testimony to Hebron's faithfulness to mission and the work of the Caribbean Youth Network that you faithfully support.

Thank you for standing faithfully with us as we endeavor to fulfill Christ's call to take the Gospel of Christ to the nations! Please keep us and Jude in your prayers as we begin in the coming months this exciting new season of ministry.

Gratefully,
Dan and Kelly Weightman
