Picture Day

On Wednesday, Sept. 13 we will have a school picture day. On Thursday, October 19. Tue./Thurs. children and those who missed the first time will have their school picture day. We will have further information as the date gets clos

Bedding

If your child stays for nap, you need to take home your child's bedding each week to wash. Please do not forget to bring them back the beginning of the next week.

File Folders

Check your child's file folder daily for important papers, art, and parents information. Each child has a folder in their classroom.

Late Comers

If your child will be here after 9:00 AM please give us a call at 327-2227 so we can include them in our lunch count. If your child is ill or you have a prayer request let us know so we can add them to our daily prayer list.

Parking Lot

We have about 650 students on our campus. We need your cooperation with the parking. If you park in a red zone or a handicap parking space you could be ticketed. The yellow loading zone is specifically designed for preschool. You may park and walk your child. If you need to be on the campus for longer than a drop off, you must park in a parking space. At 8:30 AM our elementary school starts and this is the busiest time of the day. You may want to schedule your morning to avoid the traffic of the parking lot. The ball field across the street is always open for additional parking. Thank you for your help in this matter.

Extra Clothes

Please have a change of clothes in your child's cubby in case of accidents or spills. These clothes should be in a labeled backpack or ziplock with your child's name on it.
