

## Miramonte Preschool/Jr. K Program

Part of something bigger...

**A**dventist early childhood education and care facilities teach Christian family values and provide age appropriate academics in a developmentally appropriate environment. Adventist programs are uniquely concerned with the development of each individual child's character and mind. We believe educating the whole child requires instruction that provides mental, physical and spiritual development.

Our teachers provide safe, nurturing, playful and responsive environments that encourage a child's engagement and motivation. It is our goal to provide a balance in the child-centered environment with appropriate intellectual challenges that curious young learners deserve.

Your preschooler will love our program that focuses on skill building through multi-sensory learning and creative play. Our low teacher student ratio enables preschoolers to be confident in themselves and their relationships with others by learning to relate in a positive manner to peers and the adults around them.

Our program provides a fun and loving environment for children to get their first taste of the academic experience. This foundation sets them up to be successful as they progress to kindergarten.

**M**iramonte Preschool/Jr. K Program is an independently run program on the campus of Miramonte Christian School. Miramonte is a K-8 school that features single-grade classrooms with curriculum that meets and exceeds the standards set by the state of California.

Miramonte Christian School employs dedicated and professional Christian teachers who hold certifications recognized by the state of California. Our school is accredited through the National Council of Private Schools and the North American Division of Seventh-day Adventists.

Our school is centrally located in Silicon Valley and provides easy access to parents working in the Bay Area.

Thank you!

## What you can expect?

**M**iramonte Preschool/Jr. K Program offers an age appropriate, play-based program for three and four year olds. Here are a few highlights of our program.

- Age appropriate curriculum designed to stimulate and challenge each child at their own level.
- Weekly science projects and cooking activities.
- Thematic areas in the classroom to encourage children to think and discover for themselves.
- A fun, playful atmosphere where children can feel free to explore the world around them and ask questions.
- Guidance to develop and strengthen social boundaries, appropriate behaviors and independence.
- A Christ-centered approach to learning.
- Loving teachers that nurture your child's social, emotional, educational development.
- Small class size (1:12 teacher student ratio).

## Our program

**O**ur Preschool/Jr. K Program is a wonderful place for your young child to come and get excited about learning as they prepare for kindergarten.

We nurture the whole child as we focus not only on the academics but the physical, spiritual, emotional and social aspects of each student.

As a part of their socialization, we encourage children to learn and play together, which provides opportunities to practice conflict management skills.

Prayer and worship are a regular part of our day as we point students to Christ's love for us and encourage children to share God's love with their classmates.

Students play outside several times a day as they explore the playground, tricycles and other outdoor toys.

Learning centers are setup around the classroom for students to explore including science, math, literacy and art. All stations include hands-on objects or activities for children to explore.

Students learn at their own pace to create an enjoyable experience, encouraging them to reach their highest potential.

## Meet the Director

**Y**odit Negash, Director and head teacher, graduated from Miramonte School then went on to Mountain View Academy and from there onto Pacific Union College where she received a B.S Degree.

As a product of Christian education, Yodit understands first-hand the value and benefits it provides students. Ms. Negash has worked in Early Childhood Education for nine years.

Yodit enjoys baking and loves to expose her students to hands-on learning in various culinary ways from cookies to bread. As a preschool teacher, she delights in seeing her students laughing and enjoying their academic experience.

Ms. Negash feels honored to be charged with introducing these young minds to the joy of learning.

If you feel our program could be a good fit for your child, please fill out the accompanying application. Ms. Negash will schedule a personal interview with you and your child to access academic readiness.

## Application

**M**iramonte Preschool/Jr. K is a ten month program with open enrollment. All students must be potty-trained and three or four years old.

Class visits may also be scheduled to give your child an opportunity to experience our program first-hand.

Admission into the program is pending full application, assessment and approval.

Please return the form to the office at Miramonte Christian School. (See address on back.)
