## Parent Night – January 26<sup>th</sup>, 6:30 PM – *Internet Safety for our Children*

The proliferation of social media is increasingly posing new challenges for parents and school officials. A growing number of students make poor decisions using social media. As an outcome, we have stepped up our conversations and education with students about internet safety and norms, particularly through the lens of digital citizenship. We are asking you to do the same. To support you, we have invited the police department to conduct an internet safety presentation for you. On Thursday night, January 26<sup>th</sup> at 6:30 PM, Officer Langone from the Los Altos Police Department will share some very important information about keeping your children safe on-line. This is for parents only, for your convenience, Miramonte will provide free child care service starting at 6:15 PM.

## Day Care during January 3 – 6

This Christmas we have a longer vacation break because the teachers have a pastor – teacher conference to attend the first week in January. We have heard from a few parents that the extended time will be difficult for them. In response, we are considering providing day care on January 3<sup>rd</sup> through the 6<sup>th</sup>, from 7:30 am to 6:00 pm. If you are interested, please contact the office (ASAP) and tell us which days (and hours) your children would be in day care; we will determine if there is enough need to make the day care available.

## **Partners for Eternity Scholarships**

Partners for Eternity, the new outreach-scholarship program at Miramonte, still has some openings for families to apply for participation. In this program, a Miramonte student with his or her parent visits a senior citizen, called “senior mentors” in this program, on a weekly basis. The goal is to develop long-term relationships with the older generation, so that children learn to appreciate and understand and bless elderly people. If you are interested, please contact Apryl Maloon, program coordinator, for details. If you know of any potential senior mentors who would be willing to have a young visitor on an on-going basis, please forward their names and contact information to Mrs. Maloon as well.

## **Olweus in the Classroom – Teaching Children How to Prevent Bullying**

“In first grade we end our day with a class meeting several times a week. That gives us multiple times to work on the same skill and address any issues from that day. We work a lot on how to talk to others using a 'confident voice,' one that shows that we mean what we say but isn't mean or too loud or too soft. We practice how to change the tone of voice so that how we say things comes across respectfully. How to invite others to play with us was a skill we went over as well as making a new friend. We talk about the Olweus rules and focus on social skills so that we can be always practicing treating those around us with respect. The Olweus program gives us the tools we need to learn to be good friends and how to look out for and stand up for others who are being picked on. It's helping us to become better citizens in our Miramonte community.” ~ Mrs. Mitchell, 1<sup>st</sup> grade Teacher
