5th graders returned from another memorable week at Albion

Miss Richmond and a tired, but happy bunch of 5th graders rolled back into town last Thursday evening as they finished their week at Albion. They explored marine life quite a bit and experienced getting up with the low tide in the early hours of the day. All returned safe and filled with good memories. Thanks to Miss Richmond and chaperones for a great time!

Sports Night – great family night

Last Thursday, a good night was had by all as we celebrated the sports year in review. Starting with a delicious meal, the student athletes, parents, coaches, and staff enjoyed food and fellowship time. Then we all went to the gym for the presentations. Mrs. Sato outdid herself once again with the program – recognition of players, coaches, and those players who are graduating, plus a great slide show program of great sports moments from this past year and a few surprises from prior years, too. Thanks to all who came and supported our athletes!
